Hi Parents and Guardians,

It's time to celebrate your child's spirit on School Portrait Day!

I like to say school portraits and not school picture day because these images are taken with the same care and intent as I do my private portrait clients. Here are the details.

Please contact me with any questions.

**FAQ:**

I have been photographing schools for the last 21+ yrs. My first school was the San Carlos Charter Learning Center 21 years ago and I am still there today! My attention to each child's individual personality is what makes my portrait day so fun for the kids. NO MORE FAKE SMILES!
